

Client: Hearst Publications

Location: 300 West 57th Street, NY, NY

Description:

Vutek printing directly on mirrored plexi. Printed Plexi was cut to size on the Zund. Each piece was cut to fit a specific window, and was installed from the inside and supported with wood bracing.

The windows were blacked out from the outside using black vinyl before the install was done. An "unveiling" was done as the last step of the installation.
